As of Nov 4, 2009

Tri-Colored Border Collie

Male: 6.5 years old
Height at shoulders: 25"

Date of Birth: January 9, 2003
Weight: 38 lbs

Learned Behaviors:

- Basic Obedience (Sit, Down, Stand, Stay, Come, Watch)
- Picks up a cell phone by the cue of its ring and brings it to me
- Plays a toy piano
- Says his prayers and then goes to bed covering himself with a blanket
- Kitchenette scene (Per cue "dinner" he opens the stove door, retrieves a box of food, places it on a table and then shuts the stove door. He goes on to do this with items from the refrigerator and freezer door as well..."drinks" and "dessert"...then Turns a lamp on...then plays a piano)
- Paints on a toy easel by holding a paint brush in his mouth and then puts both the paintbrush and cans of paint away in a basket
- Can perform 15 different commands that I spell for him (S-I-T, D-O-W-N, Up, Spin left and right, Wave, Cover nose, Roll Over, Bark, Bang-play dead, Hug, Bonjour & Kiss, Curtsey, Back up, lift back L-E-G)
- Will run on a treadmill
- Open a cabinet door, take out a soda, then close the door
- Go to a mark (like go to your bed)
- Spin to the right and to the left
- Weave between my legs as well as a walking weave
- Walk a circle around me to the right or to the left
- Places his head on ground between his front paws
- Looks back right and left
- Send off to go with someone
- Hug with his head on a person's shoulder
- Clean up his toys
- Dig a hole
- Chase his tail on command
- Shake with either paw
- Wave
- Speak
- Roll Over
- Play Dead
- Bow
- Take It and Leave It
- Tug on pants leg
- Rides a Skateboard
- Back up
- Kisses
- "bonjour" -kisses both cheeks on a person's face
- Crawl
- Holds objects in his mouth
- Cover his nose with paws
- Plays basketball

- Retrieves
- Gets a tissue cued by a sneeze and deposits used tissue in the trash
- Can lift his back leg as if to pee on something
- Balances objects on his head and can lift back leg while doing so
- Nudge an object with his nose
- Stomp on an object with his foot
- Walk a circle clockwise or counter-clockwise around an object

Other Qualities:

- Travels well/great in car
- Good with other dogs and friendly with people
- Easily trained for new skills
- Clicker trained
